CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 260

**Introduced by Assembly Member Lopez
(Coauthor: Assembly Member Cristina Garcia)**

February 9, 2015

An act to amend ~~Sections 300 and~~ *Section* 16002.5 of, and to add Sections 361.8 and 825.5 to, the Welfare and Institutions Code, relating to foster care.

LEGISLATIVE COUNSEL'S DIGEST

AB 260, as amended, Lopez. Foster care: parenting youth.

Existing law establishes the jurisdiction of the juvenile court, which may adjudge a child to be a dependent of the court under certain circumstances, including when the child has been left without any provision for support or when a parent or guardian fails to provide the child with adequate food, clothing, shelter, or medical treatment. Existing law provides that the Legislature declares that a child whose parent has been adjudged a dependent child of the court shall not be considered at risk of abuse or neglect solely because of the age, dependent status, or foster care status of the parent.

This bill would additionally declare that a child whose parent has been adjudged a dependent child of the court shall not be considered at risk of abuse or neglect solely on the basis of information concerning the parent's placement history, past behaviors, health or mental health diagnoses occurring prior to the pregnancy, except as specified.

Existing law provides that reunification services need not be provided to the family of a dependent child under certain circumstances.

This bill would enact certain exceptions to that provision that would apply in the case of a child for whom one or both minor parents have been adjudged to be dependent children of the juvenile ~~court~~. *court, thereby providing the family access to reunification services.* The bill would also require, in those cases, a party seeking an involuntary foster care placement of, or termination of parental rights over, a child born to a parent or parents who were minors at the time of the child's birth to demonstrate to the court that reasonable efforts were made to provide remedial services designed to prevent the removal of the child from the minor parent or parents, that these efforts have proved unsuccessful, and that those efforts utilize the available resources of the child and his or her minor parent or parents extended family, social services agencies, caregivers, and other available service providers. By imposing a higher level of service on county employees, the bill would impose a state-mandated local program.

Existing law requires the clerk of the superior court to open a separate court file for nonminor dependents under the dependency, delinquency, or transition jurisdiction of the court and limits access to those files.

This bill would require the clerk of the superior court to maintain court files and records concerning a minor dependent parent or a nonminor dependent parent separate from court files and records concerning his or her child, as specified. The bill would authorize dependency court records concerning a minor dependent parent or a nonminor dependent parent to be disclosed to the county and the court in the child's dependency proceedings, but would require information from the records to only be admitted as evidence in the child's dependency proceedings pursuant to a certain court order. *The bill would authorize any party to the child's dependency proceedings to request the admittance of the records concerning a minor dependent parent or a nonminor dependent parent as evidence at any stage of the child's dependency proceedings.*

Existing law declares the intent of the Legislature to maintain the continuity of the family unit and to support and preserve families headed by minor dependent parents and nonminor dependent parents. Existing law requires foster care placements for minor parents and their children to demonstrate a willingness and ability to provide support and assistance to minor parents and their children.

This bill would additionally require those foster care placements to support the preservation of the family unit and ~~provide~~ *refer a minor dependent parent or nonminor dependent parent to preventive services* to address any concerns regarding the safety, health, or well-being of the child, and to *help* prevent, whenever possible, the filing of a petition to declare the child a dependent of the juvenile court.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 300 of the Welfare and Institutions Code~~
2 ~~is amended to read:~~
3 ~~300. Any child who comes within any of the following~~
4 ~~descriptions is within the jurisdiction of the juvenile court which~~
5 ~~may adjudge that person to be a dependent child of the court:~~
6 ~~(a) The child has suffered, or there is a substantial risk that the~~
7 ~~child will suffer, serious physical harm inflicted nonaccidentally~~
8 ~~upon the child by the child's parent or guardian. For the purposes~~
9 ~~of this subdivision, a court may find there is a substantial risk of~~
10 ~~serious future injury based on the manner in which a less serious~~
11 ~~injury was inflicted, a history of repeated inflictions of injuries on~~
12 ~~the child or the child's siblings, or a combination of these and other~~
13 ~~actions by the parent or guardian which indicate the child is at risk~~
14 ~~of serious physical harm. For purposes of this subdivision, "serious~~
15 ~~physical harm" does not include reasonable and age-appropriate~~
16 ~~spanking to the buttocks where there is no evidence of serious~~
17 ~~physical injury.~~
18 ~~(b) (1) The child has suffered, or there is a substantial risk~~
19 ~~that the child will suffer, serious physical harm or illness, as a~~
20 ~~result of the failure or inability of his or her parent or guardian to~~
21 ~~adequately supervise or protect the child, or the willful or negligent~~
22 ~~failure of the child's parent or guardian to adequately supervise~~

1 or protect the child from the conduct of the custodian with whom
2 the child has been left, or by the willful or negligent failure of the
3 parent or guardian to provide the child with adequate food,
4 clothing, shelter, or medical treatment, or by the inability of the
5 parent or guardian to provide regular care for the child due to the
6 parent's or guardian's mental illness, developmental disability, or
7 substance abuse. No child shall be found to be a person described
8 by this subdivision solely due to the lack of an emergency shelter
9 for the family. Whenever it is alleged that a child comes within
10 the jurisdiction of the court on the basis of the parent's or
11 guardian's willful failure to provide adequate medical treatment
12 or specific decision to provide spiritual treatment through prayer,
13 the court shall give deference to the parent's or guardian's medical
14 treatment, nontreatment, or spiritual treatment through prayer alone
15 in accordance with the tenets and practices of a recognized church
16 or religious denomination, by an accredited practitioner thereof,
17 and shall not assume jurisdiction unless necessary to protect the
18 child from suffering serious physical harm or illness. In making
19 its determination, the court shall consider (1) the nature of the
20 treatment proposed by the parent or guardian, (2) the risks to the
21 child posed by the course of treatment or nontreatment proposed
22 by the parent or guardian, (3) the risk, if any, of the course of
23 treatment being proposed by the petitioning agency, and (4) the
24 likely success of the courses of treatment or nontreatment proposed
25 by the parent or guardian and agency. The child shall continue to
26 be a dependent child pursuant to this subdivision only so long as
27 is necessary to protect the child from risk of suffering serious
28 physical harm or illness.

29 (2) The Legislature finds and declares that a child who is
30 sexually trafficked, as described in Section 236.1 of the Penal
31 Code, or who receives food or shelter in exchange for, or who is
32 paid to perform, sexual acts described in Section 236.1 or 11165.1
33 of the Penal Code, and whose parent or guardian failed to, or was
34 unable to, protect the child, is within the description of this
35 subdivision, and that this finding is declaratory of existing law.
36 These children shall be known as commercially sexually exploited
37 children.

38 (c) The child is suffering serious emotional damage, or is at
39 substantial risk of suffering serious emotional damage, evidenced
40 by severe anxiety, depression, withdrawal, or untoward aggressive

1 behavior toward self or others, as a result of the conduct of the
2 parent or guardian or who has no parent or guardian capable of
3 providing appropriate care. No child shall be found to be a person
4 described by this subdivision if the willful failure of the parent or
5 guardian to provide adequate mental health treatment is based on
6 a sincerely held religious belief and if a less intrusive judicial
7 intervention is available.

8 (d) ~~The child has been sexually abused, or there is a substantial~~
9 ~~risk that the child will be sexually abused, as defined in Section~~
10 ~~11165.1 of the Penal Code, by his or her parent or guardian or a~~
11 ~~member of his or her household, or the parent or guardian has~~
12 ~~failed to adequately protect the child from sexual abuse when the~~
13 ~~parent or guardian knew or reasonably should have known that~~
14 ~~the child was in danger of sexual abuse.~~

15 (e) ~~The child is under the age of five years and has suffered~~
16 ~~severe physical abuse by a parent, or by any person known by the~~
17 ~~parent, if the parent knew or reasonably should have known that~~
18 ~~the person was physically abusing the child. For the purposes of~~
19 ~~this subdivision, “severe physical abuse” means any of the~~
20 ~~following: any single act of abuse which causes physical trauma~~
21 ~~of sufficient severity that, if left untreated, would cause permanent~~
22 ~~physical disfigurement, permanent physical disability, or death;~~
23 ~~any single act of sexual abuse which causes significant bleeding;~~
24 ~~deep bruising, or significant external or internal swelling; or more~~
25 ~~than one act of physical abuse, each of which causes bleeding;~~
26 ~~deep bruising, significant external or internal swelling, bone~~
27 ~~fracture, or unconsciousness; or the willful, prolonged failure to~~
28 ~~provide adequate food. A child may not be removed from the~~
29 ~~physical custody of his or her parent or guardian on the basis of a~~
30 ~~finding of severe physical abuse unless the social worker has made~~
31 ~~an allegation of severe physical abuse pursuant to Section 332.~~

32 (f) ~~The child’s parent or guardian caused the death of another~~
33 ~~child through abuse or neglect.~~

34 (g) ~~The child has been left without any provision for support;~~
35 ~~physical custody of the child has been voluntarily surrendered~~
36 ~~pursuant to Section 1255.7 of the Health and Safety Code and the~~
37 ~~child has not been reclaimed within the 14-day period specified~~
38 ~~in subdivision (e) of that section; the child’s parent has been~~
39 ~~incarcerated or institutionalized and cannot arrange for the care of~~
40 ~~the child; or a relative or other adult custodian with whom the child~~

1 ~~resides or has been left is unwilling or unable to provide care or~~
2 ~~support for the child, the whereabouts of the parent are unknown,~~
3 ~~and reasonable efforts to locate the parent have been unsuccessful.~~

4 ~~(h) The child has been freed for adoption by one or both parents~~
5 ~~for 12 months by either relinquishment or termination of parental~~
6 ~~rights or an adoption petition has not been granted.~~

7 ~~(i) The child has been subjected to an act or acts of cruelty by~~
8 ~~the parent or guardian or a member of his or her household, or the~~
9 ~~parent or guardian has failed to adequately protect the child from~~
10 ~~an act or acts of cruelty when the parent or guardian knew or~~
11 ~~reasonably should have known that the child was in danger of~~
12 ~~being subjected to an act or acts of cruelty.~~

13 ~~(j) The child's sibling has been abused or neglected, as defined~~
14 ~~in subdivision (a), (b), (d), (e), or (i), and there is a substantial risk~~
15 ~~that the child will be abused or neglected, as defined in those~~
16 ~~subdivisions. The court shall consider the circumstances~~
17 ~~surrounding the abuse or neglect of the sibling, the age and gender~~
18 ~~of each child, the nature of the abuse or neglect of the sibling, the~~
19 ~~mental condition of the parent or guardian, and any other factors~~
20 ~~the court considers probative in determining whether there is a~~
21 ~~substantial risk to the child.~~

22 ~~It is the intent of the Legislature that nothing in this section~~
23 ~~disrupt the family unnecessarily or intrude inappropriately into~~
24 ~~family life, prohibit the use of reasonable methods of parental~~
25 ~~discipline, or prescribe a particular method of parenting. Further,~~
26 ~~nothing in this section is intended to limit the offering of voluntary~~
27 ~~services to those families in need of assistance but who do not~~
28 ~~come within the descriptions of this section. To the extent that~~
29 ~~savings accrue to the state from child welfare services funding~~
30 ~~obtained as a result of the enactment of the act that enacted this~~
31 ~~section, those savings shall be used to promote services which~~
32 ~~support family maintenance and family reunification plans, such~~
33 ~~as client transportation, out-of-home respite care, parenting~~
34 ~~training, and the provision of temporary or emergency in-home~~
35 ~~caretakers and persons teaching and demonstrating homemaking~~
36 ~~skills. The Legislature further declares that a physical disability,~~
37 ~~such as blindness or deafness, is no bar to the raising of happy and~~
38 ~~well-adjusted children and that a court's determination pursuant~~
39 ~~to this section shall center upon whether a parent's disability~~
40 ~~prevents him or her from exercising care and control.~~

1 As used in this section, “guardian” means the legal guardian of
2 the child.

3 ~~SEC. 2.~~

4 *SECTION 1.* Section 361.8 is added to the Welfare and
5 Institutions Code, to read:

6 361.8. (a) ~~The Legislature declares that a child for whom one~~
7 ~~or both parents have been adjudged to be dependent children of~~
8 ~~the juvenile court pursuant to Section 300 shall not be considered~~
9 ~~to be at risk of abuse or neglect solely because of the age,~~
10 ~~dependent status, or foster care status of the parents. The~~
11 ~~Legislature further declares that~~ *a child of a minor parent or*
12 *nonminor dependent parent* shall not be considered to be at risk
13 of abuse or neglect solely on the basis of information concerning
14 the parent’s or parents’ placement history, past behaviors, or health
15 or mental health diagnoses occurring prior to the pregnancy,
16 although that information may be taken into account when
17 considering whether other factors exist that place the child at risk
18 of abuse or neglect.

19 (b) In the case of a child for whom one or both minor parents
20 have been adjudged to be dependent children of the juvenile court
21 pursuant to Section 300, all of the following shall apply:

22 (1) Paragraphs (10) and (11) of subdivision (b) of Section 361.5
23 shall not apply, unless one or more of the circumstances described
24 in paragraphs (1) to (9), inclusive, and paragraphs (12) to (16),
25 inclusive, of subdivision (b) of Section 361.5 apply.

26 (2) A party seeking an involuntary foster care placement of, or
27 termination of parental rights over, a child born to a parent or
28 parents who were minors at the time of the child’s birth shall
29 demonstrate to the court that reasonable efforts were made to
30 provide remedial services designed to prevent the removal of the
31 child from the minor parent or parents, and that these efforts have
32 proved unsuccessful.

33 (3) The efforts made pursuant to paragraph (2) shall utilize the
34 available resources of the child and his or her minor parent’s or
35 parents’ extended family, social services agencies, caregivers, and
36 other available service providers.

37 (c) For purposes of this section, “child” and “minor parent”
38 shall have the same definitions as *set forth* in Section 16002.5.

1 ~~SEC. 3.~~

2 SEC. 2. Section 825.5 is added to the Welfare and Institutions
3 Code, to read:

4 825.5. (a) The clerk of the superior court shall maintain court
5 files and records concerning a minor dependent parent or a
6 nonminor dependent parent of a child who is the subject of a
7 dependency petition separate from court files and records
8 concerning the child. ~~Dependency~~

9 (b) (1) *Dependency* court records concerning a minor dependent
10 parent or a nonminor dependent parent may be disclosed to the
11 county and the court in the child's dependency proceedings;
12 however, information from the records shall only be admitted as
13 evidence in the child's dependency proceedings pursuant to a court
14 order finding that the information is materially relevant to the case,
15 subject to the provisions of subdivision (a) of Section 361.8.

16 (2) *Any party to the child's dependency proceedings may request*
17 *the admittance of the records described in paragraph (1) as*
18 *evidence at any stage of the child's dependency proceedings.*

19 ~~SEC. 4.~~

20 SEC. 3. Section 16002.5 of the Welfare and Institutions Code
21 is amended to read:

22 16002.5. It is the intent of the Legislature to maintain the
23 continuity of the family unit and to support and preserve families
24 headed by minor parents and nonminor dependent parents who
25 are themselves under the jurisdiction of the juvenile court by
26 ensuring that minor parents and nonminor dependent parents and
27 their children are placed together in as family-like a setting as
28 possible, unless it has been determined that placement together
29 poses a risk to the child. It is also the intent of the Legislature to
30 ensure that complete and accurate data on parenting minor and
31 nonminor dependents is collected, and that the State Department
32 of Social Services shall ensure that the following information is
33 publicly available on a quarterly basis by county about parenting
34 minor and nonminor dependents: total number of parenting minor
35 and nonminor dependents in each county, their age, their ethnic
36 group, their placement type, their time in care, the number of
37 children they have, and whether their children are court dependents.

38 (a) To the greatest extent possible, minor parents and nonminor
39 dependent parents and their children shall be provided with access
40 to existing services for which they may be eligible, that are

1 specifically targeted at supporting, maintaining, and developing
2 both the parent-child bond and the dependent parent's ability to
3 provide a permanent and safe home for the child. Examples of
4 these services may include, but are not limited to, child care,
5 parenting classes, child development classes, and frequent
6 visitation.

7 (b) Child welfare agencies may provide minor parents and
8 nonminor dependent parents with access to social workers or
9 resource specialists who have received training on the needs of
10 teenage parents and available resources, including, but not limited
11 to, maternal and child health programs, child care, and child
12 development classes. Child welfare agencies are encouraged to
13 update the case plans for pregnant and parenting dependents within
14 60 calendar days of the date the agency is informed of a pregnancy.
15 When updating the case plan, child welfare agencies may hold a
16 specialized conference to assist pregnant or parenting foster youth
17 and nonminor dependents with planning for healthy parenting and
18 identifying appropriate resources and services, and to inform the
19 case plan. The specialized conference shall include the pregnant
20 or parenting minor or nonminor dependent, family members, and
21 other supportive adults, and the specially trained social worker or
22 resource specialist. The specialized conference may include other
23 individuals, including, but not limited to, a public health nurse, a
24 community health worker, or other personnel with a comprehensive
25 knowledge of available maternal and child resources, including
26 public benefit programs. Participation in the specialized conference
27 shall be voluntary on the part of the foster youth or nonminor
28 dependent and assistance in identifying and accessing resources
29 shall not be dependent on participation in the conference.

30 (c) The minor parents and nonminor dependent parents shall be
31 given the ability to attend school, complete homework, and
32 participate in age and developmentally appropriate activities
33 unrelated to and separate from parenting.

34 (d) Child welfare agencies, local educational agencies, and child
35 care resource and referral agencies may make reasonable and
36 coordinated efforts to ensure that minor parents and nonminor
37 dependent parents who have not completed high school have access
38 to school programs that provide onsite or coordinated child care.

39 (e) Foster care placements for minor parents and nonminor
40 dependent parents and their children shall demonstrate a

1 willingness and ability to provide support and assistance to minor
2 parents and nonminor dependent parents and their children, shall
3 support the preservation of the family unit, and shall ~~provide~~ *refer*
4 *a minor parent or nonminor dependent parent to* preventive
5 services to address any concerns regarding the safety, health, or
6 well-being of the child, and to *help* prevent, whenever possible,
7 the filing of a petition to declare the child a dependent of the
8 juvenile court pursuant to Section 300.

9 (f) Contact between the child, the custodial parent, and the
10 noncustodial parent shall be facilitated if that contact is found to
11 be in the best interest of the child.

12 (g) For the purpose of this section, “child” refers to the child
13 born to the minor parent.

14 (h) For the purpose of this section, “minor parent” refers to a
15 dependent child who is also a parent.

16 (i) For the purpose of this section, “nonminor dependent parent”
17 refers to a nonminor dependent, as described in subdivision (v) of
18 Section 11400, who also is a parent.

19 ~~SEC. 5.~~

20 *SEC. 4.* If the Commission on State Mandates determines that
21 this act contains costs mandated by the state, reimbursement to
22 local agencies and school districts for those costs shall be made
23 pursuant to Part 7 (commencing with Section 17500) of Division
24 4 of Title 2 of the Government Code.
